There'll never be another Vice President like Richard.

Never.

The President made that promise to himself last Thursday afternoon, after Richard blew an important new-business presentation.

Richard isn't incompetent. The villain is his lunches, or rather the too-many drinks he often has at lunch. Come afternoon, he's just not as sharp as he was in the morning.

Richard is playing dice with his health. His old-fashioned business style is also sabotaging

his career. Today, with competition so rough and stakes so high, even the most generous company can't be patient for long with an employee whose effectiveness ends at noon.

If you're a friend, do Richard a favour by reminding him of the good sense of moderation.

You can bet the man eyeing his job won't help him.

DR. ED ENOS

Dr. Ed Enos was appointed Director of Physical Education & Athletics at Loyola College (now the Loyola Campus of Concordia University) in the spring of 1965. He immediately launched a progressive academic-athletic building program. When Loyola and Sir George merged he was asked to continue building and serve the new University in a similar capacity. Under his dynamic leadership, the Physical Education & Athletics program at Concordia, with its diversity and excellence, has become one of the best in North America. Teams, under his supervision, have won sixty-seven league and two national championships. Dr. Enos has been acclaimed as an administrator, academician and innovator. He is credited with the initiation of a comprehensive intramural and inter-collegiate program, an academic department (Bio-Physical Education), as well as the implementation of five undergraduate programs, a graduate program, forty-two courses and the establishment of an international Institute of Comparative Physical Education.

DR. RUSSELL BREEN

Entering his second year as head of Student Services at Concordia, Dr. Breen has already made an impact on the Department of Physical Education and Athletics. Although keenly interested in the fortunes of Stinger varsity teams and their positive reflection on the University, Father Breen is equally supportive of Concordia's intramural program. To this end he devoted a great deal of effort over the past year to secure a University commitment to relocate the Sir George Williams Campus intramural office to a renovated athletic facility at the Victoria School annex. This much needed improvement will benefit a large number of students using the downtown athletic program. It is this kind of support that will keep the athletic program a viable entity in the years to come.

MEN'S VARSITY SOCCER

Steve Dunlop heads a ball against Bristol University

1980 was a strange year for the men's varsity soccer as they went undefeated in the regular season with a record of 8-0-1 yet failed to compete in the CIAU Nationals for the first time ever. The only disappointing part of the season came in the playoffs for the Quebec University Athletic Association Championship as the undefeated Stingers were beaten by their local rival McGill 4-1. Despite this setback, Head Coach Harry Hus and his team are getting themselves ready to win back the title in 1981.

Hus, a former Athlete of the Year at Loyola College, will be entering his 10th year as head coach of the Loyola/Concordia soccer team. During that time his teams have participated in nine National tournaments, winning twice. The returning Stingers should give Hus another shot at the National title as Concordia has some of the finest soccer players in Canada. The team is led by 1979 All-Canadian Steve Dunlop, fifth year goalie George Bselis, last year's Most Valuable Player, Costas Karakatsanis, Coach's Award winner in 1980 and the team's top fullback, Ron Duguid. Other Stingers who will make a big contribution are Frank Perolli, Lucien Delpesh and Bob Resch.

The Stingers will again participate in the QUAA this season playing Trois-Rivières, Sherbrooke, McGill, Bishop's, Laval and the Université de Montréal. In addition, the Stringers will play an exhibition match against the powerful Plattsburgh State College Cardinals.

HARRY HUS - HEAD COACH

Harry has accumulated an impressive list of athletic achievements in his ten years as head coach at Loyola/Concordia... his overall record includes nine league titles and two National Championships... Harry started his coaching career at Lachine High School and spent several seasons as junior varsity coach at Loyola College... took the reins of the varsity club in 1971... was selected to direct Canada's indoor soccer team in the recent Maccabean Games... Hus' accomplishments, however, have not been restricted to the coaching field... Harry received the Loyola "Athlete of the Year" award in 1964 when he starred for the basketball and soccer teams... he has also established himself as one of Canada's top basketball referees, representing the country in several international tournaments.

WOMEN'S SOCCER

1980-81 Soccer Team

The 1980-81 season marked the first year that the Concordia women's soccer team participated against college and university teams, despite a 1-4-3 record in the outdoor season, Coach Dave Kent declared the season successful. "Our schedule was very tough, with three of our losses coming to strong American schools," Kent stated. "We were never blown out in a game and improved with each performance." To support this argument, the female booters came in second in the Concordia Invitational Indoor Tournament. The Stingers lost the championship game 1-0 to Champlain College in a tourney that featured both Quebec and U.S. schools.

The women's soccer team will again compete against colleges and universities. This year's schedule includes John Abbott College, Vanier College, Champlain College, the Notre Dame de Grace senior team and Plattsburgh State College from New York.

Dave Kent will return for his second year as head coach of the Stingers. Kent is a graduate of St. John's University in New York where he played for the men's varsity team and started the women's soccer programme.

Kent's optimism is based on the talent of the returning veterans led by last year's Most Valuable Player, Christine Enos. Enos will be the captain of the 1981 team. Other key returning veterans are goalie Denise Bienvenu, fifth year player Susan Harford, and defensive standouts Shirley Robertson and Maureen Kehoe.

This past winter Kent had a good recruiting year and some of the top CEGEP players will be joining Concordia in the fall. His top recruit is Dawson College's Marina Laker. She is a standout goalie who has earned an excellent reputation in the Montreal area.

In addition to playing the regular season games the Stingers will host an Invitational Tournament in October.

1981 FORECAST

Head Coach Skip Rochette enters his fourth season aiming for Concordia's first league championship in the Ontario-Québec Intercollegiate Football Conference.

"My first three years represented a complete rebuilding program," Rochette recently stated. "Now for the first time we only have players that we recruited and who are in tune with the philosophy of our program."

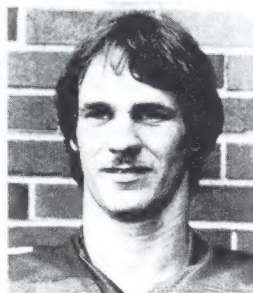

While the Stingers are a relatively young team, Rochette believes that the lessons learned during the last two years, in which Concordia won only three league games, have given his players invaluable experience.

Leading the impressive list of returnees are All-Canadian prospects Gerry Prud'homme, Ross Reeves, Rick Sabourin, Phil Macaulay and Tony Marrone. Prud'homme was selected winner of the Montreal Alouette Alumni trophy, as well as being an OQIFC all-star at the wide receiver position. Gerry finished his second season with 27 receptions for 682 yards and five touchdowns. Reeves and Sabourin will anchor the defensive squad from the linebacker position with Macaulay, a four year veteran leading the defensive secondary. Marrone, who experienced an outstanding rookie year, will center an experienced offensive line. Colin Anderson, last year's top passer will receive strong challenges from veteran Peter Malo, returning after a separated shoulder last year, and newcomer Joe Cerino.

Other rookies slated for a lot of playing time are wide receiver Robin Istace, running backs Greg Thomas and Mark Simpson, and linebackers Pierre Deschamps and Jeff Steward.

STINGER HOCKEY

1980-81 QUAA CHAMPIONS

80/81 SUMMARY

The 80/81 season was another great year for the Stingers. Concordia dominated Quebec College hockey even though the majority of the team was made up of second year players. The Stingers went 26-0-1 in Quebec Conference play but felt the absence of more experienced players in non-league and tournament competition, where they recorded at 10-9-1 mark. They were 4-2-1 against U.S. opponents including a tie and an overtime victory against the number 1 ranked ECAC team, Clarkson.

GRADUATION LOSSES (5)

All-Canadian centre Doug Feasby will be the Stingers' biggest loss. Doug holds the record for most points in a season (114). He will attend the Detroit Red Wings training camp. Other losses include goaltender Doug Dragasevich, defenseman Kevin O'Neill and forwards Kim Elliott and Steve Young.

RETURNING LETTERMEN (4)

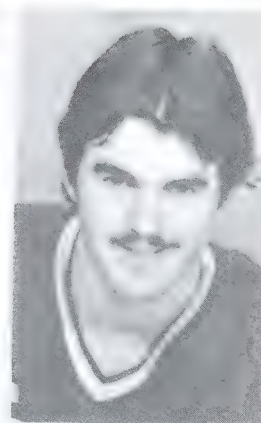

The Stingers will boast 8 juniors in their lineup this year, including potential All-Stars and captains Gilles Hébert and Mike Walker. Mike Piano, 6'3" winger will be expected to lead the Stingers scoring attack after returning from the Winnipeg Jets training camp. Other outstanding players include centre John Sliskovic, wingers Brian Taylor and Rick Donato and defensemen Derek Watt and Mike Elwood.

OUTLOOK & SCHEDULE

It looks like the Stingers will face a much tougher league in '82 with Ottawa, Three Rivers and Laval coming on strong at the end of the '81 season. Non-conference opponents include Cornell, Clarkson, Canadian Champion Moncton, Toronto, Queen's and Alberta. In addition, Concordia will play host to the 1st Montreal Cup Tournament in November, which will include 12 of the top teams from Canada and the U.S. The final will be televised from the Montreal Forum. Look for the Stingers to return to Scotland in April to defend the British Challenge Cup won last year.

COACH PAUL ARSENAULT

On Tuesday, February 10, 1981 the Stingers defeated the McGill Redmen 5-1 at the Athletic Complex. For the record, the win was the team's 20th straight in league play. For Paul Arsenault it was career coaching win number 400. Paul began coaching hockey at Sir George Williams University in 1964, moving to Loyola College in 1972. He won 5 league titles at Sir George and two at Loyola before Concordia came into existence. Since then, the Stingers have won 6 straight league championships. Paul has twice been named Canadian College Coach of the Year and was assistant coach of Canada's Student National Team in 1978.

MICRON TOURNAMENT

The Stingers will once again host the annual Micron Hockey Tournament this coming January 8th and 9th. The Micron has become the premier college hockey tournament in Canada in recent years, consistently attracting the nation's top schools. This January will be no exception. Joining the perennial Quebec champion Stingers will be national champion Moncton Blue Eagles, Ontario champion Queen's Golden Gaels, and 1978-79, 79-80 Ontario champion Guelph Gryphons.

The Stingers have won the tournament 4 times in the past 6 years.

WOMEN'S HOCKEY

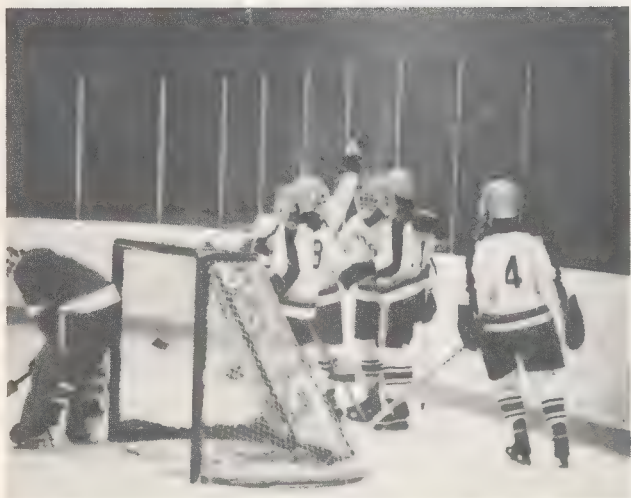

The Concordia Varsity Women's Ice Hockey team has a tough act to follow this coming season as they attempt to duplicate last year's success. Head coach Billy Doherty, in only his second season, led the Stingers through an undefeated league season and an incredible 31-5-1 overall season. Concordia breezed through 12 league games against the likes of Bishop's, McGill and John Abbott and then captured a best of three playoff series against the John Abbott Islanders, two games to none.

The Stingers also played extremely well in the York, Concordia and Huntingdon tournaments and captured the prestigious University of New Brunswick Tournament. Leading the way for the 1980-81 squad was veteran goaltender Denise Bienvenu and rookie scoring phenomenon Corinne Corcoran. Bienvenu, Concordia's Female Athlete of the Year in 1979, had a remarkable .911 goals against average while Corcoran was easily the team's top marksman with 46 goals and 44 assists in 37 games.

Veteran winger Julie Healy was the second leading scorer with 32 goals and 20 assists for 52 points while Kathy Casey collected 27 points on 17 goals and 20 assists.

With all of these players returning as well as Edith Langlois, Beth Egan, Kerry Laughlin, Paddie and Maureen Maloney, Laurie McKeown, Michele Antonuk, Cindy Robinson, Sandy Romandini, Kathy Simpkins, Debbie Rumsey and assistant coach Art Noseworthy, the Stingers are the odds-on favourites to successfully defend their Quebec title.

The Stingers will need all of their firepower as they once again face a competitive schedule. Besides league play, Concordia will compete in the York and New Hampshire Tournaments, host the Concordia Invitational featuring Providence, Colby, York, Toronto, U.N.B., John Abbot, and University of Toronto, and play exhibition games against Potsdam College and University of Ottawa. With the possibility of Quebec-Ontario or Eastern Canada and Easter United States challenge matches, coach Doherty and his skaters will have their hands full when the season officially opens in late October.

Kathleen Casey (middle) is congratulated by her teammates after scoring against York in the 1981 Concordia Women's Invitational Hockey Tournament.

MEN'S BASKETBALL

Doug Daigneault's men's basketball team is coming off its finest season ever as they finished a strong third in the Canadian Nationals in Waterloo.

The Stingers, after a mid-season slump which saw them lose their first two league games and their overall record drop to 8-11, pulled together and reeled off 13 consecutive victories that earned them their second straight CIAU National Championship berth. Concordia faced the number-two ranked Brandon Bobcats in the opening round of the Nationals, and overcame a 13 point first-half deficit to down Brandon 81-69 and advance to the semi-finals. The Stingers then squared off against the defending National champs the Victoria Vikings in the semi-finals. Victoria's overall strength proved too much for the Stingers as they scored an 85-73 triumph en route to their second consecutive National title. Concordia then grabbed third place with an impressive 82-65 triumph over the St. Francis X-men.

Daigneault, who recorded his ninth league championship in 1981 will have a solid nucleus returning this year, led by league all-stars Gary McKeigan and John Gissendanner. Other returnees who are expected to play a key role are Rick Brown, Alwyn Blackett, Mike Solomon and Steve MacNeill. Add the names of three outstanding forward recruits Tim Rider, 6'8", Dave Taylor, 6'7", and Rick Hasfal, 6'7", and Daigneault's squad looks a good bet to defend their crown against vastly improved league opponents.

This season the Stingers will host two invitational tournaments in an attempt to provide Concordia basketball fans with an opportunity to watch exciting teams in action. In the Concordia Tip-off on November 13th and 14th, Concordia will host a round robin format with Western Ontario, Ottawa and Lakehead squaring off. Then, on January 2nd, 3rd and 4th the expanded Centennial Tournament will get underway featuring Brock, York, St. Francis, Ottawa and St. Mary's.

WOMEN'S BASKETBALL

Beth Mansfield (No. 15), Janet Hylland (No. 4), Carolyn Marriott (No. 13) and Dana Delgado (No. 9) will provide the Stingers with an experienced nucleus.

The Varsity Women's Basketball team is optimistically looking forward to the 1981-82 campaign after a banner year last season. Mike Hickey's cagers were the surprise team in Canada as they finished fifth in the Canadian Intercollegiate Athletic Union championships. Concordia fashioned a 25-12 overall record and finished a strong second to the Bishop's Lady Gaiters in the Quebec University Athletic Association with a 9-3 record. After receiving a controversial wild card berth to the Nationals, the Stingers justified their appearance with wins over Guelph and Laurentian following a five point loss to Winnipeg in the opening round.

With eight returnees and several promising freshmen, the Stingers appear ready to take another shot at the Quebec and National titles. "Considering the number of rookies in last year's line-up (eight on the roster, three in the starting line-up), our accomplishments were amazing," Hickey recently stated. "And although we are losing three quality people, the experience gained by the rookies will make them much better players."

Leading the list of returning veterans is All-Canadian forward Joann Bourque. Bourque led the QUAA in scoring and rebounding, was named the Most Valuable Player in the Concordia Classic and was a unanimous Quebec all-star selection. Add the names of starters Carolyn Marriott, Beth Mansfield (second team QUAA all-star), Janet Hylland and reserves Dana Delgado, Sue Bates and Joy McBride and the Stingers have a solid nucleus for the coming season.

Three players Hickey will sorely miss are Gay Owens, Carolyn Zentner and Edda Toso. Owens climaxed a five year career with an outstanding season last year as she helped mold the Stingers. Gay averaged 10 points, 4 assists and 3 rebounds a game and was named to the QUAA all-star squad. Zentner, a starter in 1979-80, missed the entire season last year due to a series of knee injuries. Toso, who provided spark for the Stingers coming off the bench, has decided to concentrate on her studies this year.

Concordia will once again face one of the toughest schedules in Canada including three league games apiece against league powerhouses Bishop's Lady Gaiters and McGill Martlets.

The highlight of the Concordia home schedule will be the Concordia Classic held November 26-28. This year's field includes four teams from last year's Nationals (Bishop's, Laurentian, University of New Brunswick, and Concordia), McGill and three strong Division I schools from the United States (St. John's, Providence, and Southern Connecticut).

All in all it should be another challenging season as the Stingers continue their drive toward a National Championship.

WOMEN'S FIELD HOCKEY

Montreal Intermediate Champions

The Stingers Field Hockey squad will be attempting to capture their second straight Quebec University-CEGEP Field Hockey League title in 1981. This season will mark the last year that Concordia will play in the University-CEGEP league as they join the Ontario Field Hockey Association in 1982.

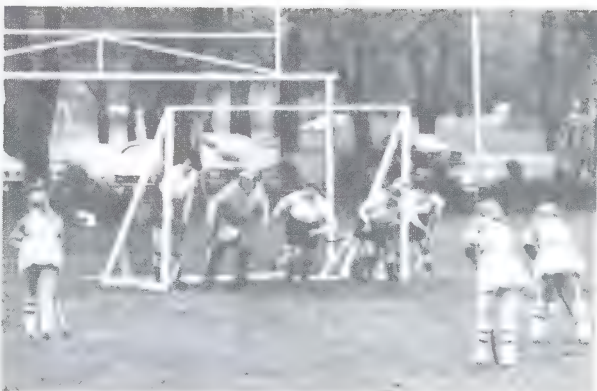

In addition to local rivals, John Abbott College, Vanier College and Bishop's-Champlain, Queen's University of Kingston, Ontario, has been added to the CEGEP league, giving Concordia 4 league opponents this season.

Cathy Haig returns for her second year as head coach of the Stingers. Haig is a member of the Canadian National Team and has aided in the development of the Quebec Elite Team.

Concordia's team is based around some of the school's top athletes: Julie Healy has led all field hockey players in scoring the last two seasons with a combined total of 14 goals. Other returning players who Haig feels will continue to make valuable contributions are defender Laura Prince, Beth Egan, the team's Most Valuable Player in 1980, 5 goal-scorer Kathy Casey and veteran defender Paddy Maloney.

Another reason why Haig is very optimistic about winning the league a second straight year is second year player Nancy Whipp. Whipp, in her rookie season, hustled and worked hard and was the team's Most Improved Player.

The Stingers were 7-1-1 in league play and defeated John Abbott College 1-0 to win the league title. The team will participate in Invitational Tournaments in Vermont and Ontario. Here at Concordia the team will host its own Invitational Tournament on October 24th.

BADMINTON

The Stingers Badminton Team participated in both the Interuniversity and Club Sportif divisions against Université de Montréal, Bishop's University, McGill University, Université du Québec à Chicoutimi and Université de Sherbrooke. The Stingers, finishing second in both divisions, fell short of the league championship to Sherbrooke Vert et Or.

In the Club Sportif division, Stingers' Dominic Soong won the Men's Singles for the second straight year. Some of the other Stingers who showed promise were Ali Arlani, Lynne Patry, and Dave English.

The Stingers are coached by James Liu who will be starting his third year as coach in 1981.

GOLF

Led by third year player Andy Fisher the Concordia Golf Team won its second straight Quebec University Athletic Association Championship. The Stingers shot a combined score of 791 for the two day course, 19 strokes better than the second place Bishop's University.

Fisher was the individual champion for the second straight year with scores of 73 and 76 for a total score of 149.

Other Concordia scores were Jacques Légère 73 - 81 - 154, second year golfer Robert Miles 80 - 81 - 161, Albert Diabo 77 - 86 - 163 and Ed Ricard 82 - 82 - 164.

The title marked Concordia's second QUAA championship, the first under coach George Short, and followed two consecutive second place finishes.

WRESTLING

Concordia University's wrestling programme is conducted as an integral segment of the Montreal Elite Wrestling Club's comprehensive programme. Coach Victor Zilberman is one of the leading authorities in the area of freestyle wrestling and is himself a leading contender for world and Olympic honours.

Among Concordia's more prestigious wrestlers are Clark Davis, winner of a silver medal in the recent FISU World Games as well as veterans John Hartung and Rasoul Tork who both won bronze medals in the 1981 CIAU championships.

Brass is back!

Brass furniture is sweeping the nation. Years ago it was fashionable and showed affluence to have a big brass bed and some brass furniture. The trend is coming back. If you want furniture that will match almost any decor always look great, never go out of fashion and always retain great value than brass is the thing. Try to buy some old brass furniture, then sit down when you hear

the prices. Modern brass furniture can be purchased at reasonable prices today, because of the methods used in manufacture. A great variety of styles are also available, each being nicer than the other. Brass is virtually maintenance free and when

polished glitters like gold. Most furniture loses value over the years as wear and tear shows. Brass is an investment and increases in value as the years go by. In this day and age it's nice to buy something that will last, increase in value and look great

All Beds are 100% Pure Brass. Lacquer Finish is available to eliminate maintenance. Varied styles in all sizes. Headboards starting at \$300.00 in Queen Size.

Schenley O.F.C.: the only 8-Year Old that's guaranteed right on the back of the bottle.

Canadian law requires distillers to place a stamp on their whisky bottles showing the year the whisky was distilled.

With Schenley O.F.C., we go a lot further. We certify that our

whisky has been aged in charred white oak casks, for a full 8 years.

We believe 8 years is a perfect aging time for whisky. When it reaches its prime for a smooth, mellow taste.

Schenley O.F.C.
The 8-year old
that's guaranteed.
